

# Onshore & Offshore Wind Turbine Installation

**Crosby®**

### CROSBY BLOKCAM ADVANCING SAFETY AND EFFICIENCY IN WIND TURBINE INSTALLATION

**Crosby BlokCam provides customised camera systems designed to enhance safety, visibility, and operational efficiency during complex wind turbine lifts—onshore and offshore.**

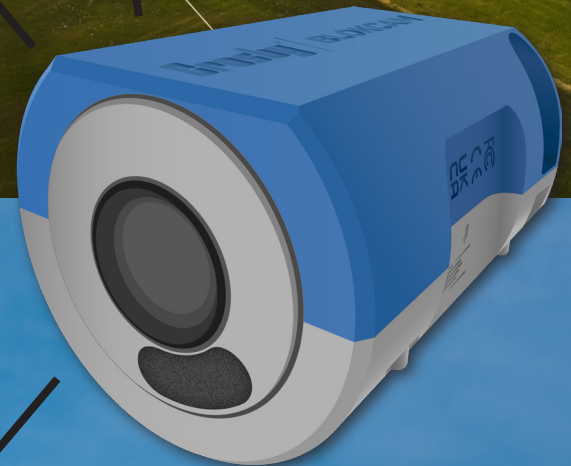

Our technology plays a key role in enabling 'human-free' lifting by positioning cameras inside turbine sections and on lifting tools, reducing the need for technicians to enter high-risk areas.

#### FEATURES

- Easy and quick to install; can be fitted within an hour
- Modular, universal mounting system is engineered for flexibility - adapting to a wide range of tower designs
- Uses high powered neodymium magnets
- Auto focus lens
- Audio from sensor
- Optional single and split screen mode with additional cameras
- Long range transmission
- Record on loop for up to 30 days
- Purpose built aluminium housing
- Safety lanyard provides secondary security tethering
- Hands free operation
- Multi positional sensor for variable views
- 12 hour battery life
- Multivoltage AC and DC inputs
- Durable all-weather design, manufactured to IP67 rating
- -20°C to 55°C (-4°F to 131°F) operating temperature
- CE and FCC Approved

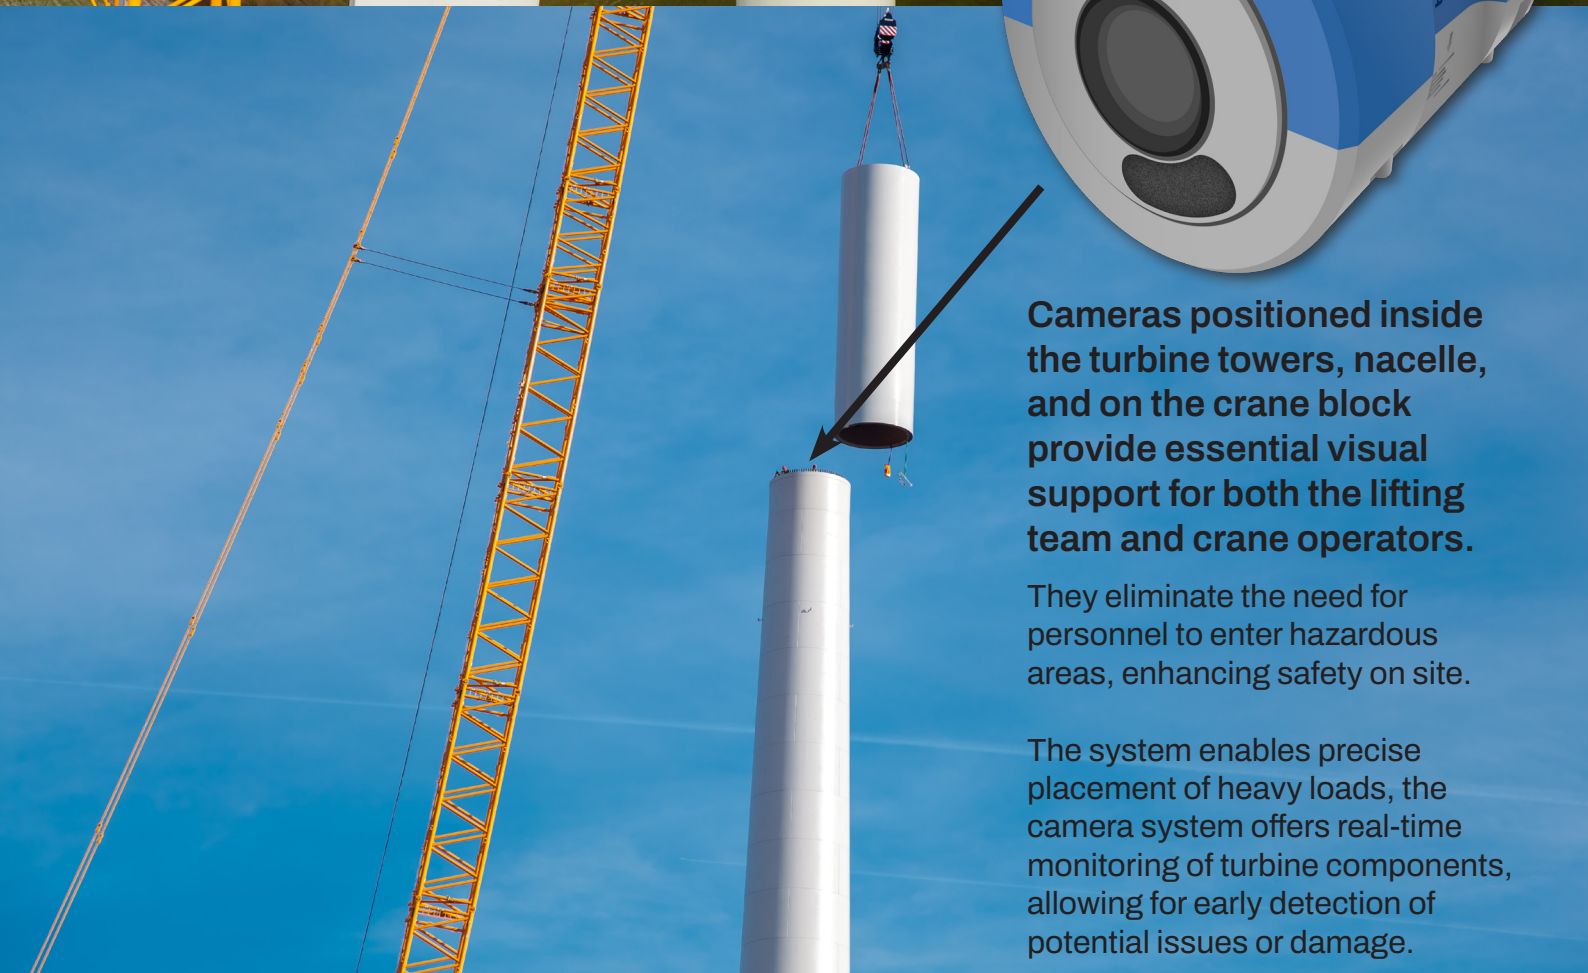

**Cameras positioned inside the turbine towers, nacelle, and on the crane block provide essential visual support for both the lifting team and crane operators.**

They eliminate the need for personnel to enter hazardous areas, enhancing safety on site.

The system enables precise placement of heavy loads, the camera system offers real-time monitoring of turbine components, allowing for early detection of potential issues or damage.

Kito Crosby is the global leader of the lifting and securement industry it pioneered, and for which it continues to set the quality standard. With global engineering, manufacturing, distribution, and operations, the company provides a broad range of products and solutions for the most demanding applications. Kito Crosby's people, products, solutions, and services have innovated the lifting and securement industry for more than 260 years.

Together we lift and secure the world today, for a safer, stronger, and more productive tomorrow. Our iconic brands include Kito, Crosby, Harrington, Gunnebo Industries, and Peerless.
